

# Join CASE as Faculty Member in Electrical and Computer Engineering:

---

CASE invites applications from innovative, self-motivated, dynamic professionals for faculty positions at Lecturer / Sr. Lecturer / Assistant Professor Level in Electrical and Computer Engineering with special focus on Electromagnetics, Microwave, Communications, Computer Architecture, Computer Vision, and Network Security.

The candidates must have PhD/MS in Electrical/Computer Engineering or related disciplines with BSc in Electrical Engineering or related discipline.

Rank and pay package will be commensurate with individual's qualifications and experience.

Please submit your resume at CASE Human Resource office or mail electronically to [hr@case.edu.pk](mailto:hr@case.edu.pk). Last date for submission of application is January 9, 2010. Only short listed candidates will be called for interview.
